2018 Evening Land Vineyards La Source Pinot Noir

## **Seven Springs Chardonnay**

In a world dominated by Pinot Noir, the Chardonnays of Evening Land have quietly earned a loyal following. The bright, clean, and lively Seven Springs Chardonnay grows in the rockier areas of the vineyard's mid-slope, offering a precise wine of clarity and finesse.

## **Seven Springs Gamay Noir**

We're proud to farm some of the oldest Gamay vines in North America. The combination of our volcanic soils and the Gamay grape matched with a traditional Beaujolaise approach in the cellar make this wine our most drinkable bottling from the entire vineyard

## **La Source Pinot Noir**

From its debut vintage in 2007, Evening Land's most sought after wine stands at the pinnacle of Oregon Pinot Noir. The La Source Pinot Noir comes from vines at the very top of Seven Springs Vineyard. Here in shallow and rocky soils, Dijon selections of Pinot Noir weather the daily winds from the Van Duzer corridor, channeling these environmental stresses into an age-worthy and complex wine.
